

Droid Phone Instructions for KNLL Calendar

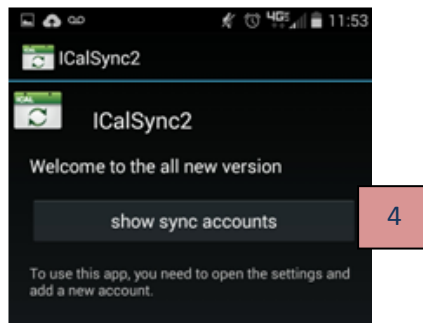

1. On your phone, you must browse out to www.katynational.org and find your team website or calendar that you want to add. In the top right corner of the calendar you will see a button called “iCal Download”.

2. Hold your finger on the button and your phone will prompt you to “Copy link address”.

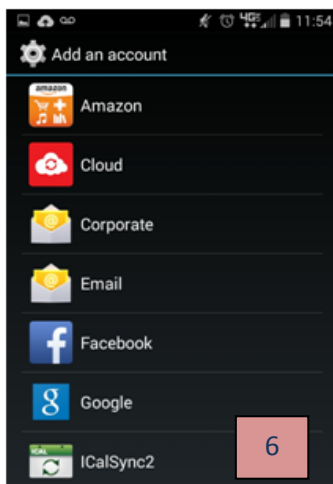

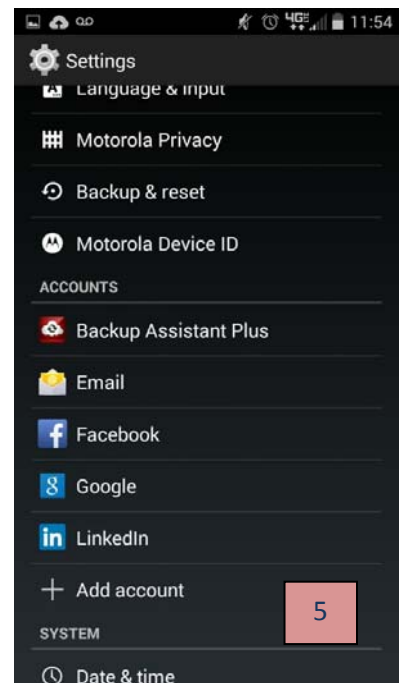

3. Go to the Google Play Store and download the “iCalSync2” program.

4. Open the program and click the “Show sync accounts” button.

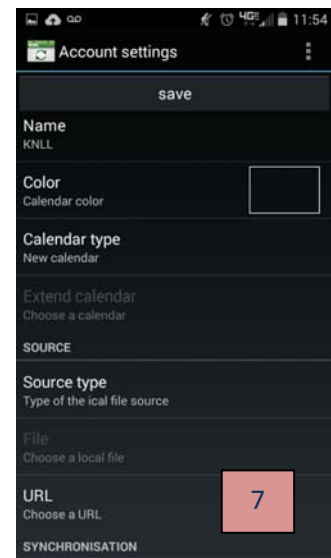

5. Scroll down and select the “Add account” button.

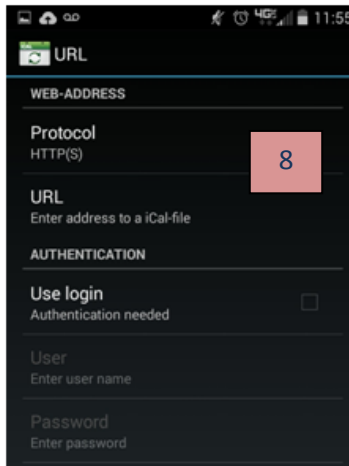

6. Touch the “iCalSync2” button.

7. Type a “Name” in first box. You MUST choose a “Color” for the entries on your calendar.

Touch the “Choose a URL” button under URL.

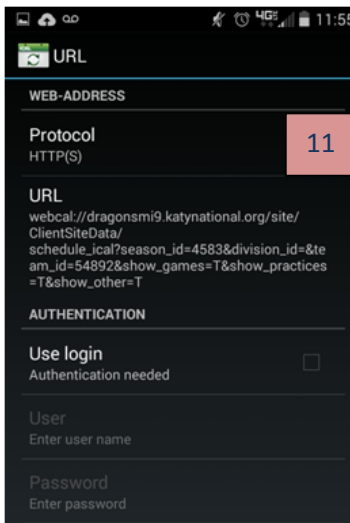

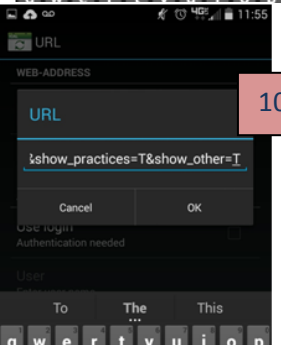

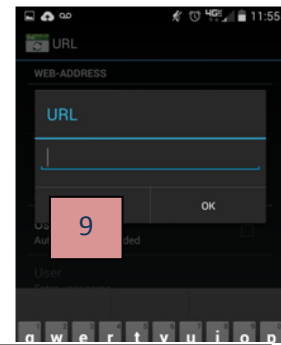

Droid Phone Instructions for KNLL Calendar

8. Touch the “Enter address to iCal-file” button.

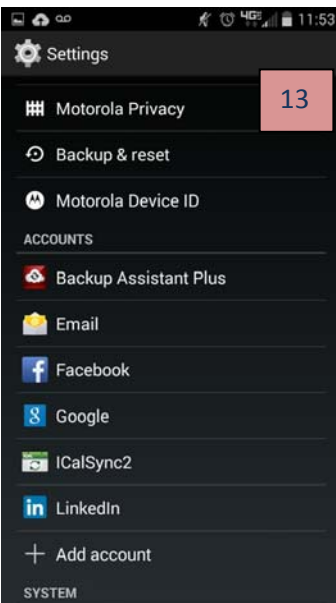

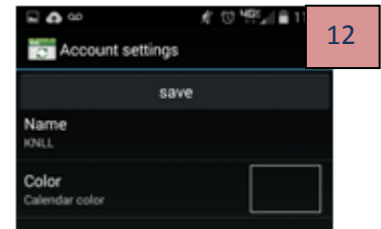

9. Place the cursor in the URL box and hold your finger there.

10. You will be prompted to paste. It will paste the URL you copied previously. Select OK.

11. It will take you back out to this page.

12. Scroll to the top and you will see the “SAVE” button. Touch it.

13. Now you will see the name of your iCalSync2 account in the Accounts Section.

14. Exit out and go into your calendar. You should see the events from your KNLL Calendar in the color you selected during setup.
